

WOMEN BADLY NEEDED AT RED CROSS ROOMS

WOMEN NEEDED TO BE DECORATED FOR HOLIDAYS.

Hundred Soldiers Going through a Day—No License on War Orphans' Boxes.

With the Christmas packages all ready for the mending of sweaters and the mending of sweaters, there is a little going on at the Red Cross rooms.

Some of the workers expressed the opinion that there wasn't much doing but they were French and mending sweaters.

However, there is a great need for workers to mend sweaters in order to get them back to where they are needed. Cold weather is here and the soldiers need them very much.

Besides, there is plenty to be done in making sweaters. Every one making sweaters, if they would only respond to the needs of the situation. The material is there to be cut and given out to be made in the work rooms. The wool is also on hand and is supplied daily to those who are making sweaters for the Red Cross. These socks and sweaters are for the soldiers and change is made for anything that is given to them absolutely free of charge.

Canteen Workers. In the canteen of Mrs. J. T. Lupton, the city, her lieutenants have charge of her canteen committee. They are Miss Anna Martin and Miss Louise Llewellyn.

Mrs. T. H. McClure, president of the canteen committee states that the canteen but at the terminal station will be decorated for the holidays and the committees will continue their work indefinitely. Every possible will be done to give the boys good cheer who are passing through on this time on. While there are no regular troop trains passing through now, the canteens all over the country are instructed to watch out for the soldiers, as they travel as individuals now and not in troop trains.

It is estimated by the canteen workers that about 200 pass through daily in this way. None have passed through from overseas as yet since the signing of the armistice, but the women who work at the stations expect to begin meeting the boys from overseas most any time now, and are going to be there to give them a welcome with hot coffee and sandwiches. Slip on a Silk Sweater

The fuel-saving patriotic lady who will not let her house thermometer slip one degree above the official 70 will do well to take a leaf from the book of Parisians who have learned to substitute clothes for coal. This heavy silk slip-on sweater to wear over a thin blouse saves many a shiver. It is purple and white and silk fringed.

French War Boxes. French war boxes have begun to go through the mail, and the parcel post people are anxious that these will all be in by Dec. 5, as they can be sent from Dec. 1 to 5 without export license. Previous to this time an individual export license had to be issued from Savannah to each person sending such a package, and while it didn't cost anything, there was a lot of red tape about it which took a lot of time. But it is only until Dec. 5 that these packages can be mailed without these individual export licenses.

MISS LYNDE WEDS Bride of Lieut. John E. Anderson of Camp Greenleaf.

At 4 o'clock this afternoon Miss Dorothea Lynde and Lieut. John E. Anderson were quietly married at the home of the bride's parents on the side of Lookout mountain. Only a few very intimate friends were present. The ceremony was performed by Chaplain C. B. Harris, of Section B, at Camp Greenleaf.

Mrs. Anderson is the daughter of Mr. and Mrs. Francis Lynde, long time residents of Chattanooga. Lieut. Anderson is the director of the school of military psychology at Camp Greenleaf. He is a graduate of Wyoming university and received his doctor's degree in the department of philosophy at Harvard university. In civil life he is an instructor in psychology at Yale university, New Haven, Conn., being on leave of absence for the duration of the war.

AUXILIARY MEETS Large Volume of Patriotic and Other Work Reported.

The Women's auxiliary of the First Baptist church met in regular monthly session Monday afternoon at the church. Mrs. W. C. McCoy, the newly elected president, presided. Mrs. M. N. Whitaker was in charge of the program, and gave a most excellent talk. The auxiliary then turned over to Mrs. W. F. Robinson, president of the state Women's Missionary union, who told of the recent convention held at Shelbyville. A representative number of the members were present. Reports from the different circles embraced a large amount of patriotic and other work.

VICTORY BALL FRIDAY A victory ball is being looked forward to by Birmingham society. The affair will be held Friday of this week. Among the attractions are some Birmingham people well known in Chattanooga.

Mrs. Roy Blewins will be hostess to the Missionary society of St. Elmo Methodist church Wednesday afternoon at 2:30 at her home on St. Elmo avenue. The annual business meeting will be held and officers elected for the ensuing year.

Rheumatism Relief--25c. Nature's Remedy (NR Tablets). Are Helping Thousands Who Tried Expensive Things Without Result. It's Guaranteed.

There are three vital processes of human existence—the digestion of food, the extraction of nourishment from it and the elimination of waste. Four digestion—Most assimilation means failure to derive full nourishment from food and that in turn often means impoverished blood, weakness, anemia, etc. Poor elimination means an accumulation of waste matter which poisons the body, lowers vitality, decreases the power of resistance to disease and leads to the development of many serious ills.

Rheumatism—due to some interference with the process of elimination—failure to get rid of certain poisons—cannot be expected to yield to any medicine that fails to correct this condition responsible for it. Only a reasonable person expects to rid himself of rheumatism as long as rheumatic poisons are allowed to remain in the body.

This is the explanation of the success of Nature's Remedy (NR Tablets) in so many cases where other medicines have failed. Thousands are using NR Tablets every day and getting relief. Why pay five or ten times as much for "untested" things? A 25c box of Nature's Remedy (NR Tablets), containing enough to last a week, is sold everywhere. It will give you prompt relief and satisfactory benefit or cost you nothing. Refuse to pay for a remedy that does not relieve. It improves digestion, tones the liver, regulates the bowels and improves the blood and cleanses the system. You've tried the expensive medicines and doctors, and now you've found the real thing. You'll get results this time. Just try it. Nature's Remedy (NR Tablets) is sold everywhere and recommended by your druggist.

PARSONAGE OPEN FOR LADIES' AID SOCIETY

PRESENTS FOR FRENCH WAR ORPHANS.

Mrs. I. D. Steele Hostess. Large Crowd Present, Several Out-of-town Guests.

The parsonage of the Third Presbyterian church, with its glowing fires casting shadows on the walls and the hearty welcome that is always given at the open door, was more attractive than ever Monday afternoon in its holiday decorations.

The occasion was the meeting of the Ladies' Aid society of the church, with Mrs. I. D. Steele, the hostess at her home, always full of good cheer, but at the time brimming over with hospitality.

A feature of this meeting was the bringing of the Christmas gifts for the French orphans, which were to be placed in a box. The table was covered with a white lace cloth over red satin. In the center was a miniature Christmas tree, and around it were placed the presents. Those small enough were hung on the tree, which was already decorated with the yuletide suggestions. When completed by the placing of these gifts the whole presented an elaborate scene. The curtains were lowered and the lights burning, and it was easy to imagine Christmas morning in a French home, when this box should be opened and the gifts of such a home could be presented with the scenes they would be thrice happy over the joy pictured, and the love and kindness it must have given those sending them.

Christmas decorations prevailed everywhere. A quantity of potted ferns and other plants afforded additional setting to the otherwise bright colors.

Mrs. Herman Bushnell, president of the society, was in charge of the business session, during which reports of the work accomplished in the past month, were read. A most entertaining feature was the telling of a Christmas story by Mrs. Gilber King. It was a selection from the writings of Kate Douglas Wiggin, and was heartily enjoyed.

Following the business session tea and wafers were served for refreshments and the time spent informally over the tea cups. Among the guests in serving were Mrs. Thomas Miller, Mrs. E. Fenton Moore and Miss Margaret Mayes. A large number of the invited guests were members of the society.

Mrs. O. L. Bunn, of Birmingham; Mrs. A. F. Clifton, of Milan; Mrs. W. C. Carr, of New Hampshire, and Mrs. Adams, of Martin, Tenn.

HIKE AND CAR RIDE B. Y. P. U. of First Baptist Plan Event for Friday.

A combination hike and street car ride will be the form of an outing of the young people of the First Baptist B. Y. P. U. on Friday night. Miss Evelyn McMahon, chairman of the social committee, announced Sunday evening that the party will meet at the church at 6:30 o'clock and will ride out a short distance and then hike the remainder of the trip. All of the young people of the church, regardless of their connection with the B. Y. P. U., will be welcomed.

WELCOME DR. PICKARD Ministers Express Delight Upon His Coming to Central Baptist.

Dr. W. L. Pickard, former president of Mercer university, Macon, Ga., will find a warm welcome to the Chattanooga Baptist Ministers' conference when he arrives in January to take charge of the work at the Central Baptist church. Yesterday morning at the regular weekly conference the ministers instructed the secretary to write Dr. Pickard their delight and high appreciation of the call to the Central church.

Already there are some half dozen former Georgia pastors and graduates of Mercer university located in Chattanooga. This naturally makes a hearty welcome for Dr. Pickard. The former Georgia ministers in Chattanooga Baptist churches are: Rev. Harold Major, who was for several years in Milledgeville and who some months at the Jackson Hill church in Atlanta when it was destroyed in the great Atlanta fire; Rev. J. B. Phillips, was former pastor of the Second Baptist church in Macon; Rev. O. D. Fleming, now at St. Elmo, and Rev. W. S. Keese, at Highland Park, are both graduates of Mercer; P. L. Johnston, secretary of the First Baptist church, graduated under Dr. Pickard in 1908. There are also several laymen in Chattanooga who finished at Mercer university. Among them are: Atty. Geo. W. Chalmers and a number of young men in the business life of the city.

MOCK MARRIAGE TONIGHT Very unique notices are being sent out of the entertainment of the Junior High school this evening. The affair is in the nature of a mock wedding, followed by a reception. Of course, the whole thing is a farce and is planned by the young people in the very best of high good humor. The stars names of the contracting parties are: Miss Sally Ann Hunkins and Elijah Cottonfield. The places of these star actors are: Taken by Miss Helene House and Shep Lauter.

The scene presents confusion in the beginning, on account of the courtship being closed, making it impossible to obtain license. Principal N. C. Carr comes to the rescue and offers an unexpired "dog license," the same covering one brindle pup that came to a sad and untimely death.

Wash Out The Pores With Cuticura Soap And have a clear, fresh complexion, free from pimples, redness, or roughness. Pimples are usually caused by clogging and irritation of the pores. Scent them with Cuticura Soap. In a few minutes wash off with Cuticura Soap and hot water.

FINAL DISCHARGES NOW IMMINENT

STUDENT CORPS NOW WAIT ON PAPERS.

Not Thought, However, That University Will Lose Many Students as Result.

The men of the students' army training corps at the University of Chattanooga will begin receiving their discharge papers as soon as the per blanks arrive. This information was brought by Lieut. Jarratt, adjutant of the post, who returned from a trip to state headquarters at Nashville Monday. The journey was made to secure final instructions as to releasing the men.

About eight blanks must be filled out for each enlisted personnel, and Lieut. Jarratt, when he is dismissed. A stock of several of these forms is on hand, but not a single man may be released until the complete set of papers is received. It is thought that by Saturday or Monday the men will begin obtaining their discharges.

None of the officers stationed at the university, the local unit receiving orders as to their station when the training corps is disbanded, but no doubt they will be released soon. Just how long they will be kept in service after the discharges is not known. At the present time the students at the University of Chattanooga number about eighty men. When it was first begun Oct. 1, the number was approximately sixty, but this was gradually increased. If the disbanding of the corps had not come as a result of the signing of an armistice, the local unit would have been doubled, according to advice which were received a considerable time ago from the war department.

The program of military instruction has been carried out without hitch, three officers having been detailed by the war department for duty here. They were Lieut. R. W. Jackson, commanding officer; Lieut. Jarratt, adjutant, and Lieut. J. J. Jarratt, adjutant. A program of two hours of drill each day has been maintained since the organization of the corps.

The committee which attended the formation of students' army training corps units at many colleges did not result here, due to careful planning beforehand. The new building, running "Little Bit Old-Fashioned," is eventually to house the science department of the school, was converted for the use of the military authorities. A mess hall was constructed on the first floor, which went into operation the day the men were inducted into service. Barracks were built upstairs, there being a few days' delay because of the government's failure to provide equipment.

Uniforms were never issued to the men of the corps, although ordered a considerable time ago. The much-delayed clothing and other articles, a few days ago, but orders came to hold up its distribution.

The disbanding of the training corps will mean a decrease in attendance at the university, but as much as might be anticipated. Many students who entered school on account of the military feature have become imbued with a desire to study, and it is doubtful if one-third of the male students will leave the school.

MUSIC RECITAL THURSDAY Prof. Gluck Will Be Heard at the Chattanooga School of Music.

Introducing Prof. Gluck, an open recital to the public will be given Thursday evening at the Chattanooga School of Music 532 Chestnut street. The program will begin at 8:15, and while it will be given by the pupils of the school, Prof. Gluck, who is going to be associated with the school, will play.

Prof. Gluck was formerly from New Orleans, and is now in Chattanooga to arrive soon to join her husband here. They will take up their residence with Mrs. R. L. Telchus, occupying a part of the house as they have their studio in which will add to the musical interests of Chattanooga.

The recitals at the School of Music are always free, no charges, and music lovers are always welcome.

L. H. BOGART DIES IN FRANCE Mrs. J. C. Bogart of Mineral Park, received news Wednesday of the death of her son, Private L. H. Bogart, in France. Private Bogart was severely wounded in action. He was removed to a base hospital, dying at 10 p. m. Wednesday. He was a member of the 105th signal corps and had been in France since September. Previous to going overseas he was stationed at Camp Gordon, Atlanta, Ga., and was a member of the 105th signal corps. He is a brother of Miss Mary Bogart, who resides with Mrs. A. E. Cother on Prospect street.

SOCIETY PERSONALS Mrs. M. T. Armstrong and Miss Zella Armstrong have returned from Rome, Ga., where they spent Thanksgiving with Mrs. Armstrong's brother, J. H. Reynolds and family.

Mrs. Henry Crumbliss, Sr., of Kingston, is the guest of Mr. and Mrs. Roy Crumbliss, on Cameron Hill.

Gus Ritcher, of Camp Gordon, Atlanta, has just returned a day's leave with his mother, Mrs. Gus E. Ritcher. Road Card, son of Mr. and Mrs. C. E. Card, has returned from Camp Vale, Ga., where he spent Thanksgiving.

Miss Ann Weatherford, who underwent an operation for appendicitis at the Highlands sanitarium, has been removed to her home and is recovering.

Mrs. A. T. Riech and little daughter, Jean, of Gadsden, Ala., are guests of Mrs. Gluck's parents, Mr. and Mrs. J. R. Riech, who are in Chattanooga.

Miss Virginia Leabster will go to New York Wednesday.

Miss J. B. Montgomery and Mrs. W. E. McLean, of Knoxville, have returned home after a visit to Mrs. John S. Ponce.

Mrs. D. S. Ethridge is convalescent from an illness of influenza. Mr. Ethridge and Mrs. Ethridge are in Chattanooga.

Lieut. and Mrs. Sidney W. Riddle and Miss Virginia Leabster will go to New York Wednesday.

Cadet Hans Trueder, who is attending Parkfield aviation school, Memphis, is the guest of relatives in the city.

Mr. and Mrs. J. B. Riles will leave next week for a visit to
